### Placing Your Amazon Order

After you “Proceed to Checkout” on Amazon, you will notice the option to ship your items to your saved addresses or to be able to select an Amazon Locker as your pick-up location. Click on the hyperlink showing “## locations near this address.”

Then, you will want to select the location that says, “Amazon Hub Locker – Mont | at Schaumburg Towers, 1450 American Lane, Schaumburg 60173-5452.”

### Picking Up Your Amazon Order

Once your package has been delivered, you will receive a notification from Amazon with a unique code via email or text message, which allows you access to your locker location. Simply enter your unique code on the touch screen display of the Amazon Locker to retrieve your package.

All packages will be available for three days after you receive your pick-up code. If your package isn't picked up before the end of the third day, it will be returned to Amazon for a full refund.
