

Help prevent the spread of germs and protect yourself from COVID-19 and other respiratory viruses.

## Physical Distancing on Elevators

### 6 Feet Apart

### Maintain Safe Distancing on Elevators

## COVID-19 Novel Coronavirus Elevator Etiquette

- Keep 6 feet apart from others
- Avoid overcrowding - limit number in elevator to no more than 4 people
- Cover your cough/sneeze
- Avoid touching your face after pushing any elevator buttons
- Wash your hands with soap and water after leaving the elevator
