

Schaumburg Towers Bike Share

ABOUT

You may have seen the black electric bicycles at Schaumburg Towers. These are now available for all tenants, free of charge. You can use these for a team outing, to grab lunch, or simply to get some fresh air! You can pause your ride at any time to lock the bike while you run an errand.

Each bike is equipped with electric assistance. This will help you go farther, faster. Please be responsible while riding and enjoy this new amenity.

HOW IT WORKS

DOWNLOAD THE KOLONI APP!

Download the Koloni app for Android or IOS. It is free to download and sign-up!

CREATE AN ACCOUNT

Follow directions in app and input credit card (note rentals are free).

SCAN QR CODE

Scan the QR Code (on rear fender) or enter bike # to unlock a bike.

ENJOY YOUR RIDE!

When you're done riding, return the bike to a rack and loop cable through the lock.

HAVING ISSUES?

- If you are having an issue with a bike or rental, you can report this in the app.
- Make sure there is no tension on the lock before renting (or returning).
- Push the button in the middle of the handlebars to turn on the electric assistance.
- Please loop the cable through the bike lock (rear tire) when locking the bike back up.
